Mr. Ondish,

I would just like to tell you about the excellent, professional people you have working in the Borough. Everyone in the Borough Hall, Construction Department, and all of the gentlemen who make up the Department of Public Works. All of these fine people have been nothing short of remarkable when I have come in contact with them. It is always a pleasant experience when I go into one of the town buildings for business purposes. I would like to single out our town Administrator, JoAnne Sendler. She has been wonderful. She always has an open door for me and is always receptive to what I have to say. It is a pleasure to work with her. I just wanted to take the time to give these wonderful people some praise and to thank them. When I do need to call on them, they truly make my job easier.

Thank you,

Anthony Albanese
