Finding Number 1:

1. **Description:** An adequate segregation of duties be maintained with respect to the recording and treasury functions.
2. **Analysis:** Adequate segregation of duties in the Finance Office is not being maintained.
3. **Corrective Action:** The Borough has reviewed and discussed various alternatives to improve this area. Some adjustments in responsibilities have been made but due primarily to budget constraints and limited number of personnel a complete resolution cannot be made at this time.

1. **Description:** The Fixed Assets inventory records of the client be reconciled to the appraisal report.
2. **Analysis:** The reconciliation for the fixed assets was not accurate.

4. **Implementation Date:** September 30, 2013

Respectfully Submitted,
