Re.: Green Acres Survey Bid Results/Award Recommendation  
CPE #: 576.006

Dear Ms. Rinaldi;

We have reviewed the one bid received on 3/19/15 for the survey work to be performed specific to the Green Acres Diversion/Disposal project. This bid was submitted by Smith Surveying, Inc., for a Task 1 total of \$23,250.00. A cost for the topographic survey of the Municipal Beach was also bid at an additional \$3,200.00. We find the Task 1 cost to be consistent with the level of effort for providing four property surveys to Green Acres standards, as well as the beach topo survey bid.

We therefore recommend this survey work be awarded to Smith Surveying, Inc. for a total of \$26,450.00, provided the legal review of the submitted document is also found to be complete.

If there are any questions or additional information required, please do not hesitate to contact me directly.

Sincerely,  
**CP ENGINEERS, LLC.**
