Re: Tow Applications for January 1, 2018 to December 31, 2018

The Mount Arlington Borough Towing Applications were required to be returned to the Mount Arlington Police Department no later than November 20th 2017. As of this date the following tow companies returned the towing application and fees for 2018 towing service; Ron & Sons towing, JC & Daughter, C & L towing and Miller Diesel. The applications were reviewed and the tow yards have been inspected and meet the current requirements for local ordinance chapter 155. At this time the only outstanding results are the criminal history checks on the applicants and drivers from the State Police SBI unit. I recommend that the applicants be accepted and the tow licenses be issued for the 2018 calendar year. In the event that a positive response comes back from the criminal history check the issue will be handled at that time.
