

Legal Public Notice for Arlington Glen Major Diversion (SHC # 1426003):

The Borough of Mount Arlington, located at 419 Howard Boulevard, will hold a public hearing to obtain comments regarding its application to the NJDEP Green Acres Program, for the proposed major diversion of parkland owned by the Borough of Mount Arlington. This application is subject to NJDEP Commissioner and State House Commission approval, and is available for review at Borough Hall (419 Howard Boulevard), the Mount Arlington Library (333 Howard Boulevard), and at the NJDEP Green Acres Program offices (address below).

The public hearing will be held on June 20, 2017 at 7:00 PM at Borough Hall (419 Howard Boulevard, Mt. Arlington, NJ). All interested parties are invited to attend and participate in the public hearing. In addition to oral comments presented during the hearing, written comments may be submitted to the agencies listed below. All written comments must be received within two weeks following the hearing by July 5, 2017.

The parkland diversion involves a parcel of land known as Arlington Glen (507 Sandra Drive, Block 61, Lot 17.01, Mt. Arlington Borough in Morris County, 16.82 acres). Musconetcong Sewerage Authority (MSA) Pump Stations #1 and #2 were installed on this property in 1996 with easements established in 2011. The Easements have a combined area of 0.159 ac +/- . The locations for these pump stations were established because the local sanitary sewer collection system operates by gravity to these locations, after which the system operates under pressure to the regional MSA treatment facility.

In accordance with N.J.A.C. 7:36-26.10, the Borough of Mount Arlington has offered Block 12 Lot 1, Berkshire Avenue, Mount Arlington, Morris County (6.5 +/- acres) as compensation for the referenced diversions. The site is wooded and adjacent to the access road leading to the former sanitary landfill of the Borough of Mount Arlington and is to be used for conservation. Block 12 Lot 1 will also serve as compensation for three other prior diversions at the Municipal Beach, another municipal park property in Mount Arlington.

All written comments should be submitted to the Borough of Mount Arlington, with copy to the NJDEP Green Acres Program, at the following addresses:
