Seasons Glen Parking Request

Attached is a request from Midstate Management to allow parking on Seasons Drive while road repairs are made. After reviewing the request I recommend parking restrictions be suspended during the times of construction so the work can be completed.

I apologize for the late notice, but I request this resolution be added to the agenda for the September 7th council meeting so the construction can remain as scheduled.

Thank you for your assistance with this matter.

Dear Chief Licata,

I am writing on behalf of the Board of Trustees at Seasons Glen. Seasons Glen has contracted with a vendor to do road repairs on Maple Lane and Sycamore Way. I would like to schedule this work for September 2010. Should weather interfere with this schedule, we may need additional time in September to complete the project.

We are requesting permission to park along Seasons Drive to give the vendors the ability to properly administer the road application.

They will be milling the streets one day and paving another day.

Should you have any questions, I can be reached at (973) 770-7373 or by email seasonsglen@gmail.com.

As always, your help is greatly appreciated.

Sincerely,
A & R Midstate Management LLC
