Dear Mayor Ondish:

On behalf of Governor Chris Christie, I am pleased to inform you that Mount Arlington Borough will receive an allotment of \$220,000 for the Mount Arlington Pedestrian Walkways to Transit project.

Once again, the Transportation Trust Fund continues to provide much needed funding to communities throughout our state. These funds serve to advance transportation initiatives without increasing the tax burden on the citizens of New Jersey.

We have received your application/agreements for this project and have started the process of having that agreement fully executed. Please be advised that upon execution of this agreement Mount Arlington Borough has eighteen months to award the contract to construction. Failure to comply with this may result in the grant being rescinded. If you should have any questions, please feel free to contact Joseph Birchenough at our Local Aid District Office in Mount Arlington at 973-770-5070.

Sincerely,

Michael Russo
Director
Division of Local Aid and Economic Development
