

**BOROUGH OF MOUNT ARLINGTON
COUNCIL MEETING MINUTES
JULY 1, 2014**

1. Call to Order

- 2. Adequate notice** of this meeting of the Mayor and Borough Council of the Borough of Mount Arlington was given as required by the Open Public Meetings Act as follows: Notice was published in the Daily Record and Roxbury Register on January 2, 2014; notice was posted on the bulletin board in the main hallway of the Municipal Building on December 20, 2013 and has been available to the public; notice of this meeting is on file in the office of the Borough Clerk.

In accordance with the Open Public Meetings Act (N.J.S.A. 10:4-1 et seq.), the Borough Council opens every public meeting for comments of the public. However, in accordance with N.J.S.A. 10:4-12: "Nothing in this Act shall be construed to limit the discretion of a public body to permit, prohibit or regulate the active participation at any meeting,...."

Speakers at Borough meetings shall have five minutes to present their comments to the Borough Council so as not to consume time that would otherwise be allotted to other persons who wish to speak.

3. Flag Salute

The Mayor asked for a moment of silence to remember all those who put themselves in harm's way to protect our freedoms.

4. Roll Call

Councilwoman Danchuk, Councilman Cangiano, Council President Sorge, Councilman Sadow, Councilman Windish, Councilman Stanzilis, Mayor Ondish. Elizabeth Valandingham, Esq., Borough Attorney, and Carolyn Rinaldi, CFO/Municipal Administrator, were also present.

5. Presentations/Mayor's Appointments

- Proclamation for Recreation Member Ruth Stone; Mayor's Appointment of Rebecca Keenan to Fill Open Recreation Position.

The Mayor read the Certificate of Appreciation aloud as he presented it to Ruth Stone.

The Mayor appointed Rebecca Keenan to the Recreation Commission (Ms. Keenan not present): Council consented to the appointment.

6. Utility Receipt Report for the Month of May, 2014.

The Clerk read the Utility Receipt Report for May, 2014 into the record.
Grand Total: \$315,590.72

Tax Collectors' Report for the Month of May, 2014.

The Clerk read the Tax Collector's Report for May, 2014 into the record.
Total Receipts: \$2,908,395.32

7. Finance Report for the Month of May, 2014.

Current Fund:

Total Receipts: \$3,401,788.21

Total Disbursements: \$1,715,427.46

8. OPRA Report

The Mayor briefly explained the OPRA process and monthly report. There were 32 OPRA requests this month, for a total of \$911.00.

9. Approval of Minutes

June 5, 2014

Regular Meeting

Motion to Approve: Council President Sorge

Second: Councilman Windish

Councilwoman Danchuk noted an error on page 2, #8 OPRA Report. The Clerk verified Councilwoman Danchuk's correction, publicly comparing her request with the OPRA Report of June 5, 2014; Council agreed to the correction on the final Minutes.

Roll Call:

Aye: Danchuk, Cangiano, Council President Sorge, Sadow, Windish, Stanzilis

None Opposed.

Minutes Approved with Correction.

10. Mayor's Report

- The Mayor met with Prime Healthcare Services, the company applying to the State to acquire Saint Clare's. Prime is not in favor of BLS but will work with us; they would prefer we find another way to take care of our residents. The Mayor urged the RFP process be expedited. He spoke with the Mayor of Hopatcong, as suggested by Gary Giacobbe; they have a system in Hopatcong where they hire their own people, have their own equipment and do their own insurance billing. We have invited a representative from Hopatcong to join our Committee, chaired by Councilman Stanzilis. Saint Clare's has assured us their services will continue through this process. The Mayor publicly thanked Mr. Newkirk in the audience as well.
- Attended a business-related meeting in North Arlington and joked with the Mayor regarding the public's confusion over the two towns.
- The Mayor led the audience in singing Happy Birthday to Laura Stanzilis in the audience.

11. Chief of Police Report

- Summer's here, schools are out, a lot more outdoor activity, responding to a lot more calls which is normal for this time of year.
- Today is Bill Lowry's first official day of retirement; Bill was appreciative of the recognition at the Employee Dinner and we all wish him well
- Police all set to go with Fourth of July fireworks but anticipating being busy because the event is scheduled for Thursday, July 3rd. Good plan in place, do not see any problems whatsoever, should be a fun evening.
- Councilman Stanzilis commented on the speed radar sign on Bertrand Island Road; Chief stated it is proving to be very effective. Chief will ensure it is working at night, the timer may have to be reset.
- Councilman Windish stated he understood the Complaint sent to the Prosecutor was sent to the Chief. Attorney Liz Valandingham stated if the matter is closed, the Chief can release the names. Chief Licata received a Complaint that was sent to the Prosecutor's Office regarding placement of campaign signs and adherence to the sign ordinance. The matter was investigated by the Zoning Officer, reviewed by the Borough Attorney and answered to the Prosecutors Office, who in turn deemed they closed their investigation with no action taken. The Prosecutor's Office forwarded it to the Chief, who in turn looked into it for initiative action, insuring our personnel did everything they were supposed to do and there was no wrongdoing. The Chief notified the people named in the Complaint, notified them of the Prosecutor's findings, and closed his investigation with no further action needed.
- Council President Sorge publicly thanked Chief Licata and Paul Nelson for working so expeditiously on the water main break on Howard Boulevard.

12. Municipal Administrator's Report

- There is a meeting set for July 24, 2014 with the Rescue Squad Committee. A representative from the Rescue Squad in Hopatcong, Mr. Newkirk and Mr. Giacobbe will be meeting with Councilmen Stanzilis, Cangiano and Windish.
- Just hired another lifeguard prior to tonight's meeting; will be adding the resolution to hire at tonight's meeting.

- In some municipalities, part of the agenda is a Consent Agenda wherein Council votes on all resolutions by one Motion, excluding the bill list which would be approved separately. There would be just one vote for the list; all resolutions will be included in agenda packets and all would be public. If there is a question or concern with any resolution listed, it can be called out of the consent vote and discussed separately. If Council wants to vote on resolutions this way, we will amend our code to reflect the change. The Mayor and Councilman Cangiano stated they like to vote on the resolutions separately; the remainder of Council verbally agreed.
- Distributed a report from CP Engineers regarding the Howard Boulevard Realignment Project; the work has to start this year. Tonight's agenda includes a resolution to apply for the grant to complete the sidewalk portion of the project; the previous Agreement stated the construction would be paid for by the County, any design and permitting will be paid for by the municipality, but the sidewalk is the one item that does not fall into either category. We will be requiring permits and will be under certain time constraints in order to keep the project moving for when the County gets involved in 2015. The Mayor stated Howard Boulevard will be straightened out at the end of Oneida Avenue, sidewalks, curbing, storm drains, all as safety improvements. Ms. Watson stated that the former Borough engineers had aerial data from the County but no survey was done; the County has asked us to move ahead with this as soon as possible and wants to see the plans and finalize the approval of the funding. Ms. Watson requested \$15,000 to cover the survey cost and basic planning and preparation; Council agreed to add this authorization resolution to tonight's agenda. Council will address this again at the August 5th Council Meeting to authorize further funds.
- Ms. Rinaldi stated they have been trying to coordinate meetings between the administrators, engineers and attorneys for the Succasunna Road project. Manager Chris Rath and Roxbury's engineer did agree \$280,000 would cover their portion of the project but Roxbury committed to \$250,000; the engineer is questioning the traffic control numbers, inspection numbers, not the scope of work. Roxbury's engineer feels there are potential cost saving reductions and Ms. Rinaldi listed the numbers in question, which Council had previously reviewed. Sabine Watson confirmed the scope of the project is agreed upon; one issue is inspections and Roxbury has a difference of opinion of approximately \$30,000- \$40,000. Council discussed the pros and cons of having more than one inspector. Ms. Rinaldi stated we have a letter from Roxbury dated June 4, 2014 committing \$250,000 toward the project and at no point has anyone stated that \$250,000 commitment has changed; the total project is \$589,000, \$292,500 would be half and Roxbury wants to pay \$250,00 and we pay almost \$300,000. Councilwoman Danchuk stated that if any of the costs do go down, the savings would be to Mount Arlington, Roxbury would have the commitment of \$250,000. Mayor said let's get the Agreement settled, get the \$250,000 and get it done. Ms. Watson will draw up the Agreement and include an addendum regarding the inspectors/inspections.

The Mayor introduced Joyce Bambach, a local photographer and longtime friend of the Borough, who has compiled a calendar of the areas around Lake Hopatcong, including Mount Arlington. Ms. Bambach stated she sends local calendars to the military from their local regions and has received many positive responses. She sells the calendars for \$20 and donates them to our men in service.

13. Council Committee Reports

Councilwoman Danchuk:

- Councilwoman Danchuk cited the most recent DPW report, which was distributed to Council.

Councilman Cangiano:

- Councilman Cangiano wanted to express thanks to Ruth Stone for all her service with the Recreation and Fire Department.
- Recreation recently had a country music concert; top notch performance but not fully attended. The Mayor asked Brenda Temple to post events onto his Facebook page which will help get the word out.
- Atkins Development has partnered with another company, which has absolutely no impact on the Borough; all Agreements remain the same. The Mayor assured Councilman Cangiano that we are still on board with the natural gas lines in that and the Rogerene area.

Council President Sorge:

- Council President Sorge attended the MAPS Graduation but unfortunately had to leave due to the heat.

Councilman Sadow:

- Councilwoman Danchuk, Councilman Stanzilis and Councilman Sadow attended the MAPS Graduation; an outstanding ceremony.
- Seniors are doing well.

Councilman Windish:

- Asked the Code Committee schedule a meeting to adjust the sign ordinance. Discussion ensued regarding the Complaint filed with the Prosecutor regarding signage. Councilman Windish stated he does not like these types of accusations, they are unfounded, they are criminal in nature, and yet people can bring them because of stupidity in the Code and he wants it corrected. Mayor agreed the Committee should meet again.
- Recently attended a seminar regarding ethics, salary ordinances, OPRA, and election updates. With regard to OPRA, if the record exists, an individual is able to obtain it but OPRA is being massively abused and revisions are in the making. Councilman Sadow cited two entries on our present OPRA log, from the same individual, requesting lists that are salable and can be used as marketing tools.

Councilman Stanzilis:

- Attended the MAPS Graduation and it was fantastic; announced Michael Stanzilis, Jr.'s graduation (in the audience) and a congratulations to Administrator Rinaldi's son, Charlie.
- Stated the Employee Appreciation Dinner was outstanding; great turnout, great way to appreciate all the hard work of the Borough employees.
- Ambulance meeting scheduled for July 24th.
- Board of Education Committee meeting scheduled for July 29th to discuss the upcoming PILOT project.
- The Mayor and Councilman Stanzilis unofficially met briefly with the Commodore and Vice Commodore of Lake Hopatcong Yacht Club regarding noise and other issues.

14. Public Comment

Alla Impink, 73 North Bertrand Road:

- Ms. Impink is a 23 year resident, lives next to the Yacht Club and cited several instances of excessive noise, excessive volume of noise, added activities, excessive traffic, and an overflow of parking from the Yacht Club and wants Council to review the noise ordinance for possible amendment. She has completed two OPRA requests this month regarding the expansion of the Yacht Club and the property next door and filed Zoning complaints last year. Ms. Impink and Mrs. Stanzilis have a petition with 26 signatures because all the residents on the island are concerned with the growth of the Yacht Club. Mayor and Councilman Stanzilis did address this with the Commodore and one of the Rear Commodore's; the Mayor stated he wanted to keep this in-house rather than go to Council, believes it is a neighborhood thing. Mayor stated there really has never been a problem, they have two big events annually, the fireworks on July Fourth and the boat show. The problem is now there is an expanding business establishment in the middle of a residential neighborhood. The Commodore and Rear Commodore want to be accommodating and co-exist; the Commodore will speak to the members about the speed limits, being mindful of people living on the island, kids with bicycles. The Mayor indicated that the Noise ordinance is for whole town but will review other ordinances from other towns regarding noise and construction hours.

Debbie O'Connor, 57 West Bertrand Road:

- Ms. O'Connor spoke about the parking on the grassy lots at the Yacht Club. She has called Zoning regarding the boats, trailers and cars parking there; the Zoning Officer has addressed it numerous times. Ms. O'Connor also complained about the increase in noise and questioned why the scheduled rain date for fireworks would be on a Sunday. The Mayor emphasized the Chief's safety plan for the island during these events and will speak with our Zoning Officer regarding parking and Club occupancy limit.

Bob Newkirk, 615 Dorothy Lane:

- Mr. Newkirk asked for the contact information for Mr. Brys, MatrixNeWorld Energy Services, who recently gave a presentation regarding solar power at the landfill.

Laura O'Reilly Stanzilis, 31 Willow Street:

- Mrs. Stanzilis is in attendance with her neighbors to express their personal concerns regarding the noise and parking problems with the Yacht Club; her intent is to keep it peaceful, they are our neighbors and the club is a prominent and historic facility. Mrs. Stanzilis has lived here 12 years but there is a definite increase in growth, volume and noise levels from the Yacht Club; she lives directly across the street. Mrs. Stanzilis has always had a cordial relationship with the manager but now the entire neighborhood is being affected. Laura and Alla Impink have 29 individual household's with complaints, including cars parking in our driveways, blocking mailboxes and walkways. The goal is to see this come to a peaceful resolution but feels there is a feeling of contention now; the word is out through the membership now that we are unhappy and she has observed some behaviors of some of the members. Mrs. Stanzilis thought by maybe resolving the issues through the town we can keep it civil, peaceful and respectful.

Jim Roberts, 90 North Bertrand Road:

- Mr. Roberts' stated his issues with the Yacht Club, including his experiences with members being rude and irate. The Mayor reiterated that he and Councilman Stanzilis will go back to the Club and hopefully make some headway. Councilman Stanzilis stated that he and the Mayor are working on this as both a neighbor and resident and will work with them in a diplomatic and non-emotional way. Councilman Stanzilis spoke to Chief Licata regarding the noise ordinance.

Nancy Absalon, 15 Oak Street:

- Ms. Absalon stated her biggest complaint with the Yacht Club is the speeding. The sign on the road says 25mph but there is a caution sign as you enter the island that says 15mph. The Mayor said they cannot enlarge the caution sign because it is not a DOT sign, just a suggested caution sign.

15. New Business

- Discussion regarding Council Meeting Schedule.

The Mayor deferred to Councilman Windish, who requested this be on the agenda because he feels one Council Meeting a month is not working; he stated the length between meetings is just too long. Councilman Windish believes Council work is not getting done in a timely manner and cited an example regarding moving forward with the Prosecutor's Office. The Mayor stated he does not believe it is necessary to have two meetings a month; if there is a reason for another meeting, we always advertise and hold a special meeting. The remainder of Council agreed with the Mayor. The Mayor stated that as per his phone call to Councilman Windish, the Mayor went to the Prosecutor's Office; they will not talk about issues but said overall they are monitoring the situation. Councilman Windish stated there is a political tactic being used, called delay, delay, delay, until the issue no longer has relevance and that what he feels is happening. The Mayor strongly disagreed. Councilman Windish wants to move forward, now; he wants to know how the Prosecutor convicted this entire Council, which is now part of the record and has been adjudicated, of doing something wrong without any depositions, interrogatories, and just make a blanket accusation. The Mayor spoke to the Prosecutor who indicated the gentleman who did the investigation has retired and they will not revisit the issue. Councilman Windish stated we have a right to a defense and then there are consequences. Administrator Rinaldi will try to schedule another Code Meeting prior to the next Council meeting. Councilwoman Danchuk gave a summary as to how the sign ordinance was amended over the past few years, under a different borough attorney and zoning officer. Councilwoman Danchuk stated that when the Borough regulated and changed the ordinance, which was specifically for Howard Boulevard, the people who signed and voted on the ordinance were at the Council meetings; there is no way they would not be aware of the ordinance. Attorney Valandingham stated that these items have already been addressed at the Code Committee meeting and they decided not to change any of these things; we will re-address it.
