Construction Contract Award Recommendation

CP Project No: 576.041

Dear Ms. Rinaldi:

CP Engineers, Inc. (CP) has completed a canvass of the bids received for the above referenced contract, and performed a detailed evaluation of the two bids received for your consideration.

Bid Tabulation:

The bids were formally opened on August 4, 2016 in accordance with the provisions of the Legal Notice. There were two (2) bids received. Enclosed is a bid tabulation which documents the amounts bid for each item. Intercounty Paving Associates, LLC of Hackettstown, New Jersey is the apparent low bidder.

Bid Evaluation:

The evaluation included a complete review of the bid package for compliance with the bidding requirements as set forth in the Project Manual, a review of the qualifications of the low bidder and any major subcontractors, and confirmation that the low bidder and his subcontractors are not listed by the State of New Jersey nor the U.S. Department of Labor as debarred.

Our evaluation concluded the lowest bid received from Intercounty Paving Associates, LLC is considered responsive. A detailed experience and reference check of the low bid confirmed that the bidders has the necessary experience and meets the bidder qualification requirements set forth in the bid documents. References for the low bidder were acceptable. The lowest bidder is considered responsible.

We believe the bid of \$522,969.30 to be reasonable and consistent with current industry pricing for work of this type.

Summary and Recommendation

Based upon our careful review of the bids, we recommend award of the 2016 Roads Restoration Project contract to Intercounty Paving Associates, LLC, as the lowest responsive and responsible bidder, at a cost of \$522,969.30.

Should you have any questions, please call.

Very truly yours,

CP ENGINEERS, LLC.

Carolyn:

Attached is our recommendation for contract award to Intercounty Paving Associates, LLC in the amount of \$522,969.30 for the 2016 Roads Restoration Project. Our bid tabulation shows a variance of \$70.99 from their bid. I spoke with Scott Sheldon with Intercounty Paving this morning. They agree that this variance is of such small value that they stand by their bid total as submitted.
