Mrs. O'Reilly-Stanzilis noted that the NJLBHA is releasing a new training manual. All board members are encouraged to review the updated manual. The manual will provide guidelines for local Board of Health members so they can develop a better understanding of their roles and responsibilities. Mrs. O'Reilly-Stanzilis also mentioned that Board of Health members are the eyes and ears of the community. If we see something which does not meet Board of Health requirements say something or bring the issue up with Mr. Weigle or Beth Dwyer so they can take action.

Mrs. O'Reilly-Stanzilis asked that our board members read the NJLBHA Newsletter which was distributed earlier today. She pointed out that the NJLBHA is holding their annual awards dinner on December 6, 2018. They are taking nominations for Public Health Service awards and recognition. Mrs. O'Reilly-Stanzilis encouraged our board members to think about nominations and to attend the event.
