7. Approval of Sanitarian's and Nursing Report

Mr. Weigle started by introducing Christie Jaime our new Health Educator. He went on to review highlights of the Public Health Nursing portion of the Sanitarian's report. Highlights include:

1. Mount Olive held two Child Health Clinic Meetings. One on September 23, 2020 and the other on October 7, 2020. There were no children from Mount Arlington in attendance at either clinic.
2. Public Health Nurse Giles provided updated corona virus information to school nurses as well as child care centers. She also attended a Zoom meeting with the Mount Arlington school district to discuss COVID-19 initiatives ranging from exclusion requirements from close contacts to the possibility of closing the schools for two weeks.
3. Updated COVID-19 information was posted on the Mayor's wellness page.
4. Two new possible Lyme disease cases were investigated and three investigations of possible rabies exposure due to animal bites were also investigated.
5. Flu Clinic was held October 17, 2020 where 17 vaccinations were administered to Mount Arlington residents.
6. The Mount Olive COVID-19 case file spreadsheet was reviewed which included information for all municipalities Mount Olive has jurisdiction over.

Mr. Webb reported that the environmental health portion of the Sanitarian's report was slow due to personnel issues. Highlights including the following:

1. Retail food inspections were performed at Pizza Express, Pub 199 and the Borough concession stand. All received satisfactory ratings.
2. Executive orders related to COVID 19 included the opening of indoor dining in September and allowing contact sports.

Christie Jaime, our new Health Educator, introduced herself. She has been working on acclimating herself to the towns Mount Olives serves. She has also been working of the following:

1. Developing new health education material as well as become familiar with the COVID Alert Application.
2. Developing flu vaccination material.
3. Participating in coordinating the COVID Health Fair scheduled for November 21, 2020 in Mount Olive which will provide COVID testing and antibody testing to Borough residents.
