6. **Sports Coordinator Reports**
 - **Soccer** – Last meeting with RVSL was in April. If June was doable, the plan was to have scrimmages. NJYS is talking about a whole different approach and reduce the number of kids at lower levels, i.e. 5 on 5 with no goalies, to keep kids off of the sidelines. There are objections, saying it's not a real game because of less kids, and the coaches are mostly volunteers, not necessarily soccer players. RVSL will be the decision maker. Kim thinks this model will help build the players. Pending on how the school year will happen in the Fall, Kim will need help as she will be teaching and homeschooling. Cannot give info just yet due to the nature of the pandemic. Biggest help will be with lining the fields.
 - **Tee Ball & Coach Pitch** – Shirts and hats were ordered for the Spring, and will be used for the Fall. Christina to reach out to the schools to find out about coordinating their fields.
 - **Softball** – Barry was not present. Christina noted the batting cage needs repair
 - Vice Chair Biase reported sports in New Jersey are in three tiers. Second tier is Softball and baseball. Games can start as soon as July 6 because it is not considered a contact sport.
7. **Sponsorships Reports-** Christina reported she will be transferring the Spring sponsors to the Fall.
