Mount Arlington Borough, New Jersey 07856

Dear Mayor Stanzilis,

I am pleased to inform you that Mount Arlington Borough has been selected to receive funding from the New Jersey Department of Transportation's (NJDOT) Fiscal Year 2023 Municipal Aid Program for LA-2023 MA Mount Arlington Borough Reba Road and Eric Lane Repaving Project 14 in the amount of \$149,855.00.

NJDOT's Municipal Aid Program is a very competitive program. This year the Department received 611 applications requesting more than \$389 million. There is \$161.25 million available in funds for this program from the Transportation Trust Fund (TTF) supported by the State gas tax.

As part of the Department's Commitment to Communities, NJDOT provides statewide assistance for local governments for improvements to and preservation of the local transportation network. This network makes up about 90 percent of New Jersey's roadways. The successful completion of your project will help achieve this goal and provide your constituents and everyone that uses local roads a transportation system that provides the mobility they deserve.

Should you have any questions regarding your grant, please contact the NJDOT Local Aid District Office in your area.
