ANNUAL FOURTH OF JULY FIREWORKS DISPLAY TRAFFIC SAFETY PLAN FOR BERTRAND ISLAND

Due to the increase in vehicular and pedestrian traffic before and during the annual Fourth of July Fireworks Display, a Safety Plan has been generated and will be implemented as indicated below. Please review this information and make all family members and visitors aware of these temporary changes in traffic patterns. We strongly urge that efforts and arrangements be made to limit the number of vehicles entering and parking on the Island.

On Friday, June 30, 2023 between the hours of 5 PM to 10 PM:

Traffic on the outer perimeter roads of Bertrand Island will be diverted one way in a counterclockwise direction beginning at the intersection of South Bertrand Road and Oak Street.

All traffic entering Bertrand Island will be directed down Oak Street to North Bertrand Road.

From North Bertrand Road, all traffic will be directed toward West Bertrand Road.

From West Bertrand Road, all traffic will be directed to South Bertrand Road.

From South Bertrand Road vehicles may exit the Island.

Traffic on Willow Street will be directed one way from North Bertrand to South Bertrand Roads.

Traffic on North Bertrand Road from the intersection of Oak Street to the cul-de-sac will remain two ways.

Signs will be posted in and about the Island indicating this change in traffic patterns for this duration.

Police Officers will be posted at several locations throughout the Island monitoring and directing traffic as necessary.

Traffic cones and barricades will be placed at areas and intersection deemed necessary prohibiting standing, stopping, and parking of vehicles.

Please see the enclosed map for clarification.

The No Parking restriction on Bertrand Road remains in effect.

****** Be sure to follow this traffic pattern when exiting your home or driveway during
the hours this plan remains in operation ******

In the event the display of fireworks is postponed for any reason, the aforementioned Traffic Safety Plan will be implemented on Saturday, July 8, 2023.

Thank you for your patience in this matter and we hope that everyone has a safe Fourth of July.

Please contact the Mt. Arlington Police Department at 973-398-2100 if you have any questions or concerns.
